

PLATT, a full-service architecture, construction, and interior design firm based in Brevard, NC, is seeking a creative, collaborative, and results-oriented Architectural Interior Designer with experience in residential design. In this position, you will be involved in all phases of the design process – from schematics and construction documentation through construction administration.

Responsibilities will include:

- Interior aspects of construction documents and specifications, including:
 1. Casework, design, details, and specification
 2. Architectural lighting design/specification
 3. Interior trim design and details
 4. Schedules: room finish, casework, lighting, and finish carpentry
- Specify materials, finishes, and other selections
- Coordinate with internal and external designers, contractors, and other vendors
- Collaborate with Project Management to create a well-coordinated interior to architecture
- Ensure deliverables are up to date on internal servers and shared platforms
- Maintain notes and photos from job site visits and create follow-up reports
- Ensure sample library is up to date and organized
- Foster strong client relationships

Requirements:

- Master's or Bachelor's Degree in Interior Design, Architecture, or related field
- Licensed with 5+ years of experience in custom residential architecture
- Exceptional competency with CAD software in an architectural setting
- Expertise in casework and electrical design/specification
- Proficiency in Microsoft, Google, and Adobe applications
- Expertise in ArchiCAD preferred
- Excellent communication and organizational skills
- Works well under pressure
