

PLATT, a full-service architecture, construction, and interior design firm based in Brevard, N.C., is seeking a skilled Maintenance Technician to provide a wide range of support services and building maintenance for our properties and construction/interiors projects.

This technician will be tasked with handling maintenance-related tasks, working with project managers to complete the finish punch list of construction projects, and assisting the interiors division with technical support.

Requirements:

- 2+ years experience in the construction industry with finish & framing carpentry skills
- personal vehicle with carrying capabilities
- basic personal hand tools required
 - advanced tools will be purchased/rented by company on an as-needed basis

Compensation:

- Compensation is negotiable depending on experience.
- Comprehensive benefits package including vehicle reimbursement, health insurance, paid vacation and sick leave, 401(k), profit sharing, life insurance, and tool allowance.

To apply, please submit a cover letter and resume to: jobs@platt.us
