

Fusco Platt Landscape Architecture is seeking a Landscape Architectural Drafter to support our Principal Landscape Architect (LA) and design team in producing accurate, well-organized landscape plans for custom residential projects. This role is ideal for a detail-oriented drafter who enjoys translating design direction into clean, buildable documentation and offers hands-on exposure to residential landscape design within a collegial, mentorship-oriented environment.

Responsibilities will include:

- Prepare and update detailed landscape plans, details, diagrams, and presentation graphics using AutoCAD Civil 3D, Adobe, LandFX, ArcGIS, and other CAD software.
- Draft planting plans, hardscape details, and grading/drainage plans from sketches, redlines, and design intent provided by senior staff.
- Assist in assembling submittal packages for permitting and architectural review.
- Translate hand sketches and markups into accurate, presentation-ready digital drawings.
- Support production of material palettes and presentation graphics.
- Assist with site visits and field measurements to document existing conditions, as needed.
- Track drawing revisions and maintain organized, up-to-date project files.
- Coordinate with internal team members to ensure drawings reflect the latest design updates.
- Coordinate with the Architectural Drafter to create 3D models for client presentations.
- Assist with basic construction support tasks (drawing redlines, shop drawing markups).

Qualifications:

- Bachelor's Degree and/or certification program in architectural drafting or related field
- 1–3 years of CAD drafting experience with landscape or civil experience.
- Strong competency in AutoCAD (Civil 3D preferred); familiarity with Adobe Creative Suite, ArcGIS, and LandFX.
- Accurate, detail-oriented drafting skills with strong technical documentation habits.
- Good organizational, written, and verbal communication skills.
- Ability to take direction well and translate sketches or redlines into finished, accurate drawings.

What We Offer:

- An inclusive and collaborative work environment with team support.
- Comprehensive benefits package, including 401K, Medical/Dental/Vision, paid time off, sick time, and holiday pay.
- Base plus annual bonus, based on company profitability.
- Company support for career progression and consistent professional development.
